

COURSE DESCRIPTION

This course is designed as a communicative English language course. The goal of the course is to make English memorable, enabling students to understand, speak, read and write English accurately, confidently, and fluently. The course aims at offering students multiple exposures to English language, numerous opportunities to practice the language and deliberate and intensive recycling.

COURSE OBJECTIVES

This course has a classic sequential grammatical content. Grammar, vocabulary, and social language are integrated within topical, communicative units. Balancing practical and informational input, the content of this course is designed to be appealing to the student learning English. In each lesson, new language is examined, explained, integrated, expanded on, and applied so that students receive multiple exposures to the language as well as numerous opportunities to practice in all skill areas.
