

COURSE DESCRIPTION

This course is designed as a communicative Business English language course. The course introduces the key concepts in today's business world with authentic materials from different online sources.

COURSE OBJECTIVES

Grammar, vocabulary, and social language are integrated within topic-based units. Balancing practical and informational input, the content of this course is designed to be appealing to the student learning Business English. In each lesson, new language is examined, explained, integrated, expanded on, and applied so that students receive multiple exposures to the language as well as numerous opportunities to practice in all skill areas.
